Introduction:

Jagriti Nepal is a non-profit, non-governmental organization self-motivated to gear up sustainable community development with social cohesion, goodwill and economic prosperity. Jagriti Nepal motivates social changes by mobilization of micro-resources including youth forces. It is registered as non-governmental organization at District Administration Office, Ilam with registration number 822 dated 12 April 2012 and affiliated with Social Welfare Council of Federal Government of Nepal. Promotion of environment-friendly sustainable community development by facilitating and collaborating various community organizations and interest groups is one of the principal objectives of Jagriti Nepal.

As the organization is in a birth Ad hoc Executive Committee has prioritized some of the crucial area to begin with its social campaigning. Jagriti Nepal has taken collaboration on child care and protection of rights of the child as its priority issue for its activities initial years. Another priority has been taken as to initiate promoting social contributions through raising memorial funds for social support to needy people preferably the children. Another priority area is promoting peace and Justice in society .

Jagriti Nepal pursues local capacity building in developmental issues, rights protection, and building cohesive active community life, and promoting access to justice to realize social justice as other key objectives. The conventional approach of planning and development efforts bottlenecks to reach in the targeted community, therefore NGO can play a complementary role as intermediary between people and government or other donors agency.

Vision:

Institutionalized sustainable development of the poor and disadvantaged section and realization of their development potentials.

Mission:

Empowerment of the poor and disadvantaged sections for their sustainable socio-economic development.
